January 26

February 9

February 23

March 9

March 23

April 27

May 11

June 1

Same place, same time.

- Does your student enjoy Math or Science?
- Does your student hate Math or Science? We can help!
- Will your child be a first generation college student?
- Find out about K-12 programs, events and resources.
- Learn about financial aid, scholarships and grants.
- Have ALL your questions answered by professionals!
